

The GEO Group Australia Pty Ltd

**Junee Correctional Centre, a safe secure work environment,
offers the following excellent career opportunity:**

MAINTENANCE PLUMBER

**Lead / support inmate
workers.**

**Prior supervisory / business
experience an advantage!**

Our ideal candidate will be a licensed plumber, and have experience in a variety of plumbing maintenance, including water and sanitary reticulation, storm water drainage and gas and ancillary systems.

Our Maintenance personnel work directly with inmates, in a supervised and controlled environment.
