

## Registered General & Mental Health Nurses

*GEO Builds Better Lives*

- **Casual Opportunities**
- **Metropolitan Melbourne and Lara Locations**
- **Flexibility to work varied shifts.**

GEO Care Australia is Australia's largest outsourced correctional healthcare provider. Operating across all of Victoria's 12 publicly managed prisons, GEO Care Australia provides primary healthcare services to around 3,400 prisoners through a diverse and dispersed workforce of approximately 140 healthcare professionals across metropolitan and rural Victoria.

Currently we have casual vacancies for suitably experienced General Nurses or Nurses with a Mental Health qualification at our metropolitan and Lara sites. These fast paced roles are varied and challenging, where no shift is ever the same.

To be successful in this position the applicant will:

- Possess current registration with Australian Health Practitioner Regulation Agency
- Have a Post graduate diploma in Mental Health or Primary Mental Health Qualification (for Mental Health applicants only)
- Experience in a variety of primary health care or acute hospital settings Enjoy working as part of a multi-disciplinary team
- Be committed to delivering quality primary health care services in a correctional environment
- Possess excellent clinical assessment skills and be an effective communicator
- Be committed to timely incident reporting, legislative compliance, documentation and developing stakeholder relationships
- Have knowledge of Legislation understanding and a genuine commitment to standards and quality practices

Previous experience in Correctional Health is not essential, as support and a comprehensive orientation program is provided. Hours of services are negotiable. Relevant tertiary qualifications will be highly regarded. You must have the right to work in Australia, a current driver's licence and a clear Victorian Police Check are mandatory for this position.
